

REMARKS

In the subject application, claims 1-10 were pending as of the mailing of the current Office Action. Applicant requests cancellation of claims 6 and 7. Applicant gratefully acknowledges the assistance of Examiner Ali in a telephonic communication with applicant's representative on August 31, 2004.

Applicant has undertaken to modify the pending claims in accordance with the suggestions kindly provided by the Examiner.

Accordingly, applicant believes the subject application, as now claimed, is allowable.

It is believed that all objections raised in the current Office Action have been addressed and satisfied. If the Office requires additional information regarding this matter, please contact David W. Barman at 305-332-4089 who is agent of record.

Respectfully submitted,

 11/01/2004
